DETAILED ACTION

Allowable Subject Matter

Claims 1-16 allowed.

The following is an examiner's statement of reasons for allowance:

As to claim 1, the prior art of record, taken alone or in combination, fails to disclose or render obvious, a method of using an interferometric confocal microscope to measure the features of a trench or via including: focusing a measurement beam at a selected location at or near the bottom of the trench or via to excite one or more guided-wave modes within said trench or via; measuring properties of a return measurement beam that is produced when the measurement beam is focused at the selected location, said return measurement beam including a component corresponding to a radiated field from the one or more said guided-wave modes, in combination with the rest of the limitations of claim 1.

Art Unit: 2877

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
